MESSAGE OF VICE CHANCELLOR

Prof. (Dr.) Hemlata K Bagla,

Vice Chancellor, HSNC University Mumbai; Former Principal, K.C. College;
Hon. Director, KC College of Management Studies; Director, NHSRE

A great man had once said, **"Start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible"**. At the HSNC University, we are making new beginnings, starting new programmes, forming new collaborations and making new resolutions – only so that we may fulfill our students' dreams and go beyond those to give them new platforms in the new world order. We are ready to face all adversities and overcome all challenges in the achievement of our objectives.

At KC, we have always striven to impart academic excellence and encouraged holistic development of students. Living up to the college motto **"Salvation through Knowledge"** our strength at KC College lies in making constant efforts to change with time and that has made us a young and purposeful institution. Our dynamic management, compassionate and learned teachers, committed and caring staff - all have only one aim of all-round excellence. Our focus is not just academic excellence or the honing of various talents in our students, but also looking after their mental wellness, their safety, instilling in them a sense of confidence and enabling them to reach for and achieve their dreams.

Being career-ready is important but being entrepreneur-ready is more the need of the hour and we shall have programmes and initiatives geared towards achieving this goal. Tough times don't last, tough people do. Our programmes and activities are aimed at making our students confident, disciplined and resilient. We at KC, have learnt and grown together to become stronger, more determined and more equipped to handle our society and global challenges.

H(S)NC BOARD, MUMBAI

Hyderabad (Sind) National Collegiate Board is a 70-year-old educational Trust of Mumbai catering to higher education and school education, providing a holistic platform for teaching, learning, research, sports, culture, community outreach, learning resources, and focused training for careers and employment.

With the blessings of Dr. Annie Besant, and the efforts of Rishi Dayanand Gidumal, the D G College was established in 1921. With the independence of India and the dislocation and migration of the Sindhi community as a result of Partition, the educated members of the community dreamt of establishing a major educational network in Mumbai. It was with the efforts of Principal K M Kundnani, who was a lecturer and subsequently Principal of D G College, and that of Barrister Hotchand G Advani, that R D National College was established in Bandra in 1949, and the H(S)NC Board formed.

It was the consistent patronage of philanthropists like Advocate Nari Gurshahani, Mr Lokumal Kishinchand and Mr T Murli of M/s Kishinchand Chellaram, Mr J Watumull, the Mansukhani family, the Hassaram Rijhumal family, and Dr L H Hiranandani, that the Board made its presence strong in the educational development of Mumbai.

Since its inception in 1949, it has produced generations of educated and skilled workforce which has been at the forefront of national development. Starting with one College in 1948 at Bandra, today, it has 14 Colleges affiliated to the University of Mumbai, 1 self financed Institute of Management, and 1 Technical Diploma Institute. These institutes are spread over entire Mumbai region and they stand as proud edifices to the contribution of the H(S)NCB towards distinctive, quality education.

The Board caters to more than 45,000 students per year, honing them into professionals capable of contributing their best to industry and society. The human resources of the H(S)NCB include the 3500+ strong workforce. On a modest estimate the H(S)NC Board has provided higher education to more than 3.5 lakh persons in its 70 year journey.

With the new Executive Board in command since the turn of the Century, the emphasis now, is on co-operative and joint leadership and the focus has been to work out a roadmap with a view to keep pace with the newer challenges in education, thrown up by the winds of globalization and industry 4.0.

MESSAGE OF PRESIDENT

Mr. Anil Harish, Trustee, President, H(S)NC Board

The H(S)NC Board has been an integral part of the educational landscape for almost 70 years and continues to significantly impact the lives of millions of students.

With over 25 educational institutions under our management, we have a vast array of specializations ranging from traditional subjects like business studies, Law and Sciences to more contemporary subjects like Management, Media, and technology.

At the start of the academic year 2020-2021, KC College, HR College, and Bombay Teachers Training College merged to form a university under the auspices of the H(S)NC Board. This new HSNC University has been established as a State Public University and is affiliated with UGC.

Our faculty of industry experts and academicians provide students with quality education and expertise. We have effectively maintained major networks with various industries in the form of our valued alumni as an established Board.

We take great pride in nurturing industry-ready professionals by supporting their future careers with great internship and placement opportunities. With diverse opportunities and strong guidance, we strive to create a tradition of excellence.

FROM THE PRINCIPAL'S DESK

Prof. (Dr.) Tejashree Shanbhag, I/C Principal, KC College

The year 2023-24 was a very eventful year, with the HSNC University, Mumbai, introducing the National Education Policy 2020 in all its Constituent Colleges and its Schools.

K.C College, in the past year, has introduced NEP across all its courses and in this year, 2024-25, all the First and Second Year curricula of the college have already been designed, approved, and uploaded on its website.

We shall introduce NEP curricula in the year 2025-26 in all the Third Year courses so that the entire syllabi of each course will become fully NEP compliant.

A plethora of new interdisciplinary subjects have now been incorporated in all the different faculty of studies, thus encouraging the breaking down of silos and facilitating a more holistic education.

In the meantime, students are encouraged to join our students' clubs and associations like that of NSS, NCC, Sports, Cultural club, Rotaract Club, Marathi Mandal, Sindhi Club etc and take part in the college festivals as well as departmental ones. Each Self-Financed department also has its own club, which is highly active and energetic.

The college is proud to announce that we have been made the training centre for the Air Force wing and the Army wing by the National Cadet Corp (NCC). This will hugely benefit our students, besides instilling confidence and discipline in them.

As in the past, this year, too, we conducted international and national level conferences and seminars. Since it was the Year of the Millet hence a State level conference called Millet Convergence was held at which eminent guests like Ms Rujuta Diwekar, the renowned nutritionist and Padmashri Rahibai Poppere, also known as the Millet woman, were the guests of honour.

An International Conference, "Artificial Intelligence: Navigating Future Frontiers of Technology" organised by the Departments of Information Technology and Computer Science, was held to throw light on the impending changes and challenges of AI in almost every field.

The year was full of the energy and vibrancy of the annual intercollegiate festival, Kiran, and the department festivals like Joule, Systematic Chaos, Fiestron, and Blitzkrieg. The Department of Mass Media initiated its first International Film Festival this year.

The tried, tested, and traditional as well as the new, original, and innovative will march hand in hand this year too to lead to a lively, rewarding, and flourishing year.

Wishing each student and staff success, hope, and peace.

KC SPECIAL ADVISORY CENTERS & CELLS

GENDER ISSUES CELL – Convenor, Dr Mridula Gupta

A gender just and enabling environment for both girls & boys is *the sine qua non* of a healthy democratic set up in any educational Institution. The everyday procedures and practices of the college reflect an explicit commitment to the principles of gender justice and equity. We have a policy of zero tolerance for sexual harassment in our college campus. The Women's Development Cell, rechristened the Gender Issues Cell in KC College, exists as a statutory mechanism to create awareness and to sensitize the students on issues of gender discrimination. The entire administrative apparatus from the Principal, to the Peons have been sensitized to the need for making the campus a safe and gender sensitive space. An Internal Complaints Cell (ICC) within the Gender Issues Cell has been formed to deal with cases of sexual harassment. Any instance of sexual harassment, that is unwelcome behavior, whether physical, verbal or nonverbal, either by fellow students, teachers or nonteaching staff may kindly be reported to the Convenor of the Women's Development Cell by sending an email to genderissuescell@gmail.com. Alternatively, students may also use the Gender Issues Cell Drop Boxes, installed at prominent places in the campus, to lodge their complaints or give their suggestions to make the campus a space for equal opportunities for all the students. The complaints will be investigated in a time bound manner while assuring full anonymity to the complainant and the suggestions will be acted upon, wherever feasible.

- Students are not authorized to communicate any information or write to the press about any matter dealing with the College administration.
- Students are expected to take proper care of the college property and to co-operate in keeping the premises neat and tidy. Any damage to the college building or property by disfiguring walls, doors or breaking furniture, apparatus, fittings etc., is a breach of discipline and will be strictly dealt with.
- It is in the Principal's discretion to disallow a student to continue in the college, if for any reason, the continuance of such a student in the college is felt to be detrimental to the best interest or discipline of the college. No reason may be assigned for such a decision and the Principal's decision shall be final.
- Students should strictly adhere to a proper and appropriate dress sense within the college premises. Students should dress with decorum inside the campus and any non-compliance will bar them entry to the campus.
- Students are permitted to use mobile phones only in the designated areas like that of the canteen, Ladies' Common Room and quadrangle. Action can be taken against them if they are found to use mobiles anywhere else within the college premises.
- Wearing of identity cards by students within college premises is mandatory. Failure to comply will result in strict action.

Note: Matters not covered by the above rules will rest at the absolute discretion of the Principal. The College offers a very safe and secure environment and the entire campus is under the surveillance of close-circuit cameras. The college can expel or suspend a student, if for any reason, the continuance of such a student in the college is felt to be detrimental to the best interest or discipline of the college. No reason may be assigned for such a decision and the Principal's decision shall be final.

ELIGIBILITY CRITERIA

ADMISSIONS (UG)

Admission to the Undergraduate degree programmes will require students to have passed the Higher Secondary School Certificate Examination conducted by different Divisional Boards of Maharashtra State Board of Secondary and Higher Secondary Education or an Examinations of any another University or Body recognized as equivalent. A student from another University or Board of Secondary or Intermediate Education or any other statutory Examining Body, seeking admission to this University shall apply to the College Office for Eligibility. Such students will be admitted to a class, only if they have obtained the Provisional Certificate of Eligibility issued as per the various ordinances governing it and in force at the time of admission.

Admission to the Post-Graduate Degree programme will require candidates to have passed the Undergraduate Degree courses from a recognized college or board.

Candidates aspiring to join a PhD research centre will have to pass the Post-Graduate degree examination and will have to undergo the HPET examination of the HSNC University, or the NET/SET/SLET examination according to the rules of the UGC.

ADMISSION FROM OTHER UNIVERSITIES OR ALLIED BODIES

A student from another University or Board of Secondary or Intermediate Education or any other statutory Examining Body, seeking admission to this University shall apply to the College Office for Eligibility. Such students will not be admitted to any class, if they have not obtained the Provisional Certificate of Eligibility from the office. After being admitted to the college based on the provisional eligibility certificate, the students have to obtain final confirmation and eligibility for which they should submit the following certificates in original along with a photocopy:

1. **Original Marksheet**
2. **Original Passing Certificate**
3. **Original Migration Certificate**

Those students whose admission is provisional should note that if their admission is not finally confirmed by the University, their terms kept for the academic year will be treated as “Null and Void” and they will not be allowed to appear for the final examination. Foreign students will have to show documentary evidence of conversion of their visa in addition to the above-mentioned conditions for eligibility.

TRANSFERENCE CERTIFICATE

0.106 - No student shall at any time be admitted to any other College unless he/she produces Transference Certificate from the College he/she leaves.

0.125 - Besides attendance, to keep a term at a College or recognized institution an undergraduate must complete to the satisfaction of the Principal or the Head of the Institution the course of study at the College or Institution prescribed for such term for the class to which such graduate then belongs i.e. satisfactory performance at the various examinations conducted during the year.

Note: There is no Provision for Additional Examination in any Semester.

TRANSFORMATIVE INITIATIVES UNDER NEP

HSNC University, Mumbai, has introduced National Education Policy (NEP), 2020 in all its Constituent Colleges and Schools (except DMHSL) from the year 2023-24.

The NEP structure aims to :-

- Introduce holistic and multidisciplinary undergraduate education leading towards developing intellectual, aesthetic, social, ethical and emotional capabilities of students.
- Develop soft skills, complex problem solving skills, critical thinking abilities, creative thinking and rigorous specialization in a chosen field of learning
- Have a Flexible curricular structure
- Provide Multiple entry and exit options (Four Year Bachelor Degree may be completed in 7 years). Four year Bachelor degree is a preferred option which will enable students to go for one year Master's degree)
- Provide students with opportunities for internship as well as research internships and field projects
- Facilitate Students to accumulate credits under Academic Bank of Credit (ABC)

NOTE :- One semester = 90 working days and One academic year is of Two Semesters.

TRANSFORMATIVE INITIATIVES UNDER NEP

NEP Subjects :

Major

- Three Subjects (M1, M2, M3) have to be selected by every student in the First Year UG programme, based on the subject combinations available. Each subject is of 4 credits.
- In the 2nd year, one major subject has to be selected out of a combination of three (M1, M2, M3)
- In the Aided departments, seats in the 2nd year for major subjects are limited. Hence students will get the Major subject of their choice only if they qualify in merit.
- This Major subject will continue in the 3rd year and 4th year, with the student graduating with majors in that subject

Minor

- Another subject of 4 credits, that a student chooses, is from amongst the M1, M2, M3.
- For example, Major may be Political Science, and Minor may be Economics, with the 3rd subject being dropped in the second year UG programme.

AEC - Ability Enhancement Course

- A language and Linguistics based paper.
- In Sem 1 and Sem 2 Communication Skills in English will be included under AEC and in Sem 3 & 4: Modern Indian Languages like Hindi, Marathi, Sindhi, Sanskrit will be offered of which any one can be selected .

TRANSFORMATIVE INITIATIVES UNDER NEP

VAC - Value Added Course

- Common to all UG students.
- Several topics like Environment, Digital learning, Understanding India, Yoga are in the syllabi of VAC.
- The approach of this paper is values or ethics based and is compulsory for all first year students.

IKS - Indian Knowledge System

- This subject deals with the knowledge systems of India pertaining to different fields like medicine, surgery, astronomy, satellites, mythology and legends, literature, art, architecture, sculpture, Guru-Shishya parampara, music, culinary traditions and many more areas.
- This is a compulsory paper for all students in the First Year and subject based IKS is again included in the 3rd Year.

Generic Elective/Open Elective (GE)

- GE consists of a basket of papers offered by each faculty of Arts, Science and Commerce, with students gaining knowledge in a subject that is from another faculty of study. These papers are studied in the first two years of the UG courses.
- Hence, to illustrate, a Bachelor of Arts student has to select a paper from the basket of Science GEs or from the basket of Commerce GEs. A Bachelor of Science student has to compulsorily select a GE paper from Arts stream of Generic Electives or from the Science group, and so on.

TRANSFORMATIVE INITIATIVES UNDER NEP

Vocational and Skills Enhancement Courses (Voc/SEC)

- Courses aimed at imparting practical skills, hands-on-training, soft skills, etc to enhance the employability of students.
- Voc is linked to the major/minor and will include skills based on advanced laboratory practicals. SEC is to be selected from the basket of skill courses approved for that faculty of study at the second year level.

Summer Internship/Apprenticeship

- A key aspect of UG programmes under NEP is induction of student into actual work situations. All students will undergo internships/apprenticeships in a firm/industry or organisation or Training in labs with faculty and researchers during the summer term.

Community Engagement and Service

- Students are exposed to socio-economic issues in society so that theoretical learnings can be actually supplemented by actual life experiences to generate solutions to real life problems.

Co-curricular Courses (CC) such as Health and Wellness, Yoga Education, Sports and Fitness, Cultural Activities, NSS, NCC, Fine/Applied/Visual/Performing Arts : to be offered in First and Second Year

CREDIT GRADING SYSTEM

A student after satisfying the conditions of attendance and term work becomes eligible for the term-end / semester-end examinations.

UNDERGRADUATE VOCATIONAL PROGRAMS (B.Voc)

- Vocational or skill-based education is becoming more and more significant with passing time. BVoc (Bachelor of Vocation) is an emerging course in India that aims at providing adequate skills required for a particular trade to candidates. The course is different from traditional academic programmes as it deals more with application-based studies rather than focusing on only theoretical knowledge.
- To provide judicious mix of skills relating to a profession and appropriate content of General Education.
- To provide flexibility to the students by means of pre-defined entry and multiple exit points.
- To integrate NSQF within the undergraduate level of higher education in order to enhance employability of the graduates and meet industry requirements. Such graduates apart from meeting the needs of local and national industry are also expected to be equipped to become part of the global workforce.
- To provide vertical mobility to students coming out of 10+2 with vocational subjects.
- The curriculum also focus on work-readiness skills in each of the three years.
- Adequate attention is given in curriculum design to practical work, on the job training, development of student portfolios and project work.

JOB PROSPECTUS AND OPPORTUNITIES

A degree in Sociology offers students a wide array of choices. Students can take Civil Service Exams or may decide to pursue higher studies and academics may be a career option. Legal Studies is an emerging and growing field and a degree in Sociology is immensely helpful for a three- year degree in law. Two specific courses at the third year level, Sociology of Organizations and Human Resource Development train students for a career in the corporate sector. Journalism and Media Studies is another option. The development sector in India offers vast opportunities to students of Sociology. The department organises programmes in association with civil society organisations and students are exposed to several activities that help hone their skills for a stint in the development sector and in policy planning. Sociology provides a critical and intersectional perspective on Indian society and hence a degree in Sociology prepares students for varied occupations and professions.

From the President's Desk

*Mr. Anil Harish,
President, HSNB Board.*

It is indeed a pleasure for me to welcome all students who have joined H.R. College. This institution is truly a temple of learning and holds a reputable status as an epitome of knowledge and research among the educational institutions under our Hyderabad Sind National Collegiate Board.

H.R. College is the culmination of a long-standing dream to put into place a college that surpasses traditional learning, while revolutionizing the field with the latest practices to design an environment that moulds every student into a holistic being with relevant skills to navigate through real life situations.

Relentlessly pursuing a path of excellence in every criterion, H.R. College provides a domain where non-academic pursuits are sustained alongside academic expertise. Churning out thousands of socially responsible global citizens every year, the entire H.R. College works together to create a positive prototype in the nation's higher education space.

I take this opportunity to wish each one of you success in your studies and all future endeavors. I hope you carry forward the rich traditions set by your predecessors and fulfill all expectations of your teachers and parents.

June 1, 2022: A momentous occasion as Mr. Anil Harish, the incoming President of the HSNB Board, receives a warm welcome from Dr. Pooja Ramchandani, Principal of H.R. College of Commerce & Economics. On this significant day, June 1, 2022, the H.R. College of Commerce & Economics witnessed a moment of great importance as Mr. Anil Harish, the esteemed incoming President of the HSNB Board, was welcomed by Dr. Pooja Ramchandani, the respected Principal of the college. June 1, 2022, will forever be etched in the history of H.R. College as a day of new beginnings, renewed aspirations, and a shared vision for a brighter future.

From the Principal's Desk

We are what we repeatedly do.
Excellence, then, is not an act,
but a habit.”

- Will Durant.

Dr. Pooja Ramchandani, Principal

I truly believe that the priorities for our country are Education and Health. I am grateful that we are one of the providers of one of these priorities. Our college works to provide education and opportunity to students, to make them great citizens of India and the World. My target is to equip each and every student of my college with the best education and infrastructure to help them achieve nothing but the best in life.

The college has just undergone extensive renovation and now boasts state of the art facilities and upgraded infrastructure matching international standards. The technologically upgraded classrooms facilitate teaching through advanced tools and techniques. Our new well-equipped computer laboratories, libraries, seminar and conference halls, separate boys and girls lounges and gymnasium have the best of facilities.

The campus is fully CCTV-enabled to cater to the safety requirements of the students and staff. The college has a glorious past. Today, with more than 9000 students we aim for the highest levels of achievement. Our success is built on the contributions of every part of our community: graduate and postgraduate students, faculty and staff, alumni, and other supporters across our city and around the world.

We are committed to excellence across all our courses. We have succeeded in bringing about positive changes in teaching by making it more student-centric, outcome-based, and research-oriented. The college has achieved an impressive placement record in both industry and in further higher education.

Dear students, your college years will be a unique period which you will fondly remember throughout our life. So make maximum use of this time for planning your career, having fun and developing long lasting friendships. We look forward to your further association with the institution as proud alumni. It is my belief that the forthcoming years will lead the College to further levels of distinction in India and abroad. The way ahead can only get even better.

About the College

H.R. College of Commerce & Economics echoes the vision of Dr. Sarvepalli Radhakrishnan at the dawn of Independence that, "India's future will be shaped in her classrooms."

H.R.College of Commerce and Economics established in 1960 is now a lead constituent college of HSNC University, Mumbai established by the Government of Maharashtra as a State Cluster University. Our college holds the distinction of being awarded the highest grade with CGPA of 3.72 on scale of 4 by NAAC (National Assessment and Accreditation Council) and was awarded 'The Best College in Mumbai by the University of Mumbai' in 2011. The college was awarded as College with Potential for Excellence by UGC in 2016 and is also recipient of the Innovation Award 2015 Graduate College: Commerce from Higher Education Forum. In 2016, college received award from Indian Education Network Awards for Excellence in Higher Education as "Most Emerging Higher Education Institute of the Year". In October 2021, the institution featured as "10 Must-Watch Higher Education Institutes In Maharashtra" in Higher Education World (1st Edition 2021, India). Recently the Best Colleges, 2023 Zone wise ranking was conducted by Open the Magazine. , the weekly current affairs and featured magazine, the flagship brand of Open Media Network, the media venture of the RP-Sanjiv Goenka Group. In this ranking H.R. College was ranked No. 1 in Commerce College category and No.6 among Management institutions and colleges in BBA/ BMS Category in State of Maharashtra. The Higher Education Review recognised H.R. College of Commerce and Economics as one of the Top 10 Colleges For Economics In India in 2023 and as Top 10 Most Promising Arts & Commerce Colleges In India in 2024. The college's commitment to excellence and adherence to high standards have been acknowledged through the attainment of ISO 14001:2015, for its dedicated environmental practices, ISO 9001:2015 for its quality management systems and ISO 50001:2018 for efficient energy management systems. All these ISO certifications are granted by the member bodies of IAF.

The curriculum design has 100 % (mandatory) participation of students in experiential learning exercises and endless opportunities for innovative extension activities. The institution offers 6 Undergraduate programs, 3 vocational undergraduate programmes and 3 Post graduate programmes. The college has Entrepreneurship Cell to support budding entrepreneurs. The institute has initiated and completed numerous social projects with active participation of students to promote socially conscious intent to develop responsible citizens. The institute provides opportunities to study in foreign universities by providing scholarships and facilitating students intending to study abroad by way of guidance and orientation programmes.

The Industry linkages are one of the key highlights that supports internships and placements in corporate. There are collaborations for placements, intern ships and industrial visits. The all rounded holistic development of the learner is the main

objective and we see this outcome in the form of enhanced self-confidence and growing enthusiasm among students in the form of 45+ students led committees organising 400+ events, 20+ inter collegiate competitions and winning 20+ Intercollegiate cultural and sports awards annually. Some of the illustrious alumni of the institute include Karan Johar, Kumar Mangalam Birla - The Chairman of Aditya Birla Group, Aftab Shivdasani - the actor, Sunil Shetty - the actor, Ranbir Kapoor - the film actor , Farhan Akhtar- the film maker, Tanaaz Irani- Bollywood Actress, Khurshed Dastoor- the high Priest of oldest fire temple, Udvada Gujrat, Prashant Ruia- Group CEO, Essar Group, Aarti Chhabria - the film actress. The house of rankers includes 11 out of top 50 ranks of Chartered Accountancy Final and Intermediate toppers in India in the year 2021-22.

The college has 2 Ph.D. research centres in subject of Business Economics and Business Policy and Administration with 12 Ph.D. guides and 25 plus registered students and establishment of 3 new PhD. Research Centres in subjects of English, Geography, and Environmental Management is under way. The college has a regular skill development series to develop required skills. Overall the institutional distinctiveness lays in Engaging and Empowering Students Through Comprehensive/ Extensive Experiential Learning developing the key skills I.e. leadership, team building, communication, conflict resolution, coordination and decision making.

In a world experiencing rapid and transformative changes at an unprecedented pace, it has become essential for educational institutions to keep up with the latest trends and developments. Recognizing the need to adapt to this change and raise the standards in the education sector, our esteemed HSNC Board embarked on a remarkable journey towards a higher goal. The result of our collective efforts is the establishment of HSNC University Mumbai, a pioneering state cluster public university under the leadership of a private board.

We adopted and successfully implemented the new NEP curriculum with the HSNC Board as a Parent body for our first batch of students and continue to work hard for the goal of development of our student community through comprehensive and holistic education.

Continuous monitoring and evaluation of student progress are made through project work in all subjects, online tests, and class presentations. Innovative methods to increase class participation, examination reforms, and faculty development have been some of the other measures to make teaching-learning effective. Regular academic audits of performance has been strengthened and now identifies advanced learners, as well as slow learners, and 360-degree feedback of faculty helps in strengthening teaching-learning and evaluation.

Student-Centric Learning

A Host of Instruction Methods are Deployed to make Teaching-Learning Holistic and Effective.

H.R. College believes in the policy stated by Phil Collins - “In learning you will teach and in teaching you will learn”, and hence the instructional paradigm has shifted from a teacher-centered model to a learner-centered approach shown below. The college has clearly perceived that student-centered methods have proved to be superior to the traditional teacher-centred approaches. The learner-centric approach facilitates critical thinking and creative problem-solving skills among students.

The **student-centric** model leads to student empowerment. The students on their part assume more responsibility of learning. Active learning is achieved by the introduction of interactive methods such as project work, class assignments, group work, and working in pairs, role play, brainstorming and use of case studies. The student-centric model adopts various strategies that help students acquire life skills, knowledge management skills and lifelong learning.

Some of these strategies are:

- Introduction of **Certificate Courses** like Advanced Excel, Tally, and Social Media Marketing; Sound and Video editing; Power BI and Certificate Course on GST; besides Summer Schools and Corporate Seminars which cover a wide range of dynamic courses reflecting emerging trends.
- Organizing **Distinguished Lecture Series** where professionals from leading organizations deliver lectures in the college and educate students on the dynamics of the real world i.e. Seminar on Big Data, Business Intelligence & Analytics; Panel Discussion on Goods and Services Tax; and Seminar on Budget Analysis.
- Creating Partnerships with industry, NGOs and other stakeholders to bring communities to the classrooms.
- Instituting state-of-the-art infrastructure and modern teaching learning methodology to make knowledge acquisition effective.
- Encouraging students to undertake internships to acquire a hands-on learning experience.
- Training students in various foreign languages such as German, Spanish, South Korean, Japanese to name a few, along with regional languages.
- Training faculty in developing student-centered teaching learning techniques. Several training programmes have been organized like Research Methodology & Data Analysis through SPSS; BFSI Industry: Recent Trends & Future Outlook; Research Ethics & Academic Writing; Citation Metrics, etc.

Educational Pedagogy

International Economics Convention, Inter-collegiate Festivals & Summer Schools offer interesting opportunities for cross-cultural youth learning.

The educational pedagogy at the college is designed and developed to ensure that all graduates obtain a set of key skills and attributes to assist them in their professional and academic careers as well as their personal lives.

The college aims at producing:

Professionals who are:

- capable of independent thinking.
- analytical, critical, and reflective in their thought process.
- practical and rational in approaching problems.

Active Global Citizens who are:

- attuned to cultural diversity.
- capable of applying their discipline in local, national and international contexts.
- culturally aware and capable of respecting diversity and acting in socially just/responsible ways.

Scholars who are capable of:

- independent, self-directed practice.
- lifelong learning.
- operating within an agreed Code of Practice.

Leaders who are:

- enterprising, innovative and creative.
- capable of initiating as well as embracing change.
- collaborative team workers.

Socially sensitive individuals who:

- are sensitive to issues of exclusion, equity and justice.
- respect environment and are community responsive.
- value work and social ethics.

The Chief Guest Mr. Afzal Khan GM, IHCL, Morning Star; Principal Dr. Pooja Ramchandani, and Vice-Principal Dr. Jasbir Sodi graced the Degree Distribution ceremony.

INSTITUTIONAL WEBSITE

The college website **www.hrcollege.edu** gives a snapshot of the entire college. The website lists out rules & regulations of the admission process. The college puts up FAQ's on its website. All important notices, examination schedules and all types of information and announcements are displayed on the website from time to time.

INTERNAL QUALITY ASSURANCE CELL

Adhering to its motto, “Identify, Instill, Imbibe, Improve and Innovate”, the Internal Quality Assurance Cell of the college has aligned all its systems for ensuring better quality management. The IQAC of H.R. College aims at raising the bar in all the academic activities. The IQAC has a multi-level Quality Management initiative for the college. At one level, it sensitizes the faculty, the non-teaching and other staff of the college. On the other hand, it elevates and seeks to create a desirable and encouraging environment for students.

The IQAC comprises of faculty members who have earned respect for integrity and excellence in teaching and research, while at the same time are aware of the ground realities.

The IQAC undertakes programmes to motivate faculty members and to reorient their teaching styles to suit the needs and interests of the students. The aim is to draw students to attend classes in large numbers.

Thus continuous efforts are undertaken by the IQAC to improve the quality of teaching and learning in the college thus benefitting all stakeholders. The IQAC works hard towards coming up with new ideas and preparing innovative models to enhance the teaching-learning process.

FEEDBACK MECHANISM

The stakeholders can send their feedback on any aspect of the institution right from infrastructure, teaching and non teaching staff or any suggestion for improvements of any processes in the college on this email id. The college has received a lot of appreciation letters on the various initiatives undertaken from time to time.

The feedback from various stakeholders is monitored closely by the Core Committee.

NEW EDUCATION POLICY

Introduction:

NEP2020, or the National Education Policy 2020, is a comprehensive policy introduced by the Government of India to transform the education system in the country. It aims to bring about significant changes in various aspects of education, from school to higher education

Salient Features of NEP 2020

The National Education Policy 2020 (NEP 2020) in India brings several significant changes compared to the prevalent education policy at the time of its introduction. Here are some key differences between the prevalent education policy and NEP2020:

- **Multidisciplinary Approach:** NEP 2020 promotes a multidisciplinary approach to education, encouraging students to choose subjects across different disciplines and bridging the gap between arts, sciences, and humanities.
- **Reduction in Content Overload:** NEP 2020 emphasizes reducing the content overload in the curriculum to focus on core concepts and critical thinking rather than rote memorization.
- **Skill Development and Vocational Education:** NEP 2020 places significant importance on skill development and vocational education, aiming to provide students with practical skills and promote entrepreneurship.
- **Assessment Reforms:** NEP 2020 advocates for a shift in assessment methods, aiming to move away from high-stakes examinations and focus on a more comprehensive and holistic assessment of student understanding and skills.
- **Inclusion and Equity:** NEP 2020 emphasizes inclusion and equity in education, aiming to address gender and social disparities, provide equal opportunities for marginalized communities, and promote inclusive education for students with disabilities.
- **Research and Innovation:** NEP 2020 recognizes the importance of research and innovation in education, encouraging the establishment of research centers and promoting a culture of research among students and teachers.
- **Internationalization:** NEP 2020 recognizes the significance of internationalization in education. It encourages collaborations and exchange programs between Indian and foreign institutions, promoting global exposure and cross-cultural learning.

Four Years Under Graduate Programmes with Honours or Honours with research offered by the college for Academic year 2024-25 under NEP 2020.

Under NEP, various courses to be learn by student are categorised under the following heads:

- **Course:** A basic unit of education and/or training. It means a paper which is taught for at least one semester as a part of a subject and is a component.
- **Major DSC (Mandatory):** The subject represents the main

• **Major DSC (Mandatory):** The subject represents the main focus of the degree, and the degree will be awarded in that subject. Students should secure a minimum of 50% of total credits through Major (core) Courses (mandatory courses, electives, vocational courses, Internship/ Field Projects / Apprenticeship / Community Engagement Projects, Seminars, and Group Discussions. In addition, Entrepreneurship, IPR and Research Projects shall be offered in case of Honors with Research Degree) in Three/Four Years for the award of a Major Degree. Major Specific IKS is included under Major.

• **Elective Course DSE:** Generally, a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

• **Minor:** is the subject that may complement the Major subject or can have interdisciplinary bandwidth. Minor subjects may be related or unrelated to the Major subject. The Minor subjects may be from the different disciplines of the same DSC Major (Core) faculty or from different faculty altogether.

• **GE/OE:** An elective course chosen generally from an unrelated discipline/subject, with an intention to seek multidisciplinary exposure is called a Generic Elective. BVOC RM THM AND WM SYLLABUS WILL REMAIN SAME

Internal Assessment and Semester End we can continue with same, as SLE is still there along with test. Paragraph on SLE also please remain same. Please remove ATKT and Eligibility rules as till now no circular came from university. I suggest remove Honours Program as under NEP also we have Hon, so students can get confuse. My suggestion is only include FY Syllabus under NEP, as prospectus is only for beginners and they are only concern at present about first year syllabus. I checked many prospectus including Xaviers, they have mentioned only first year nomenclature under NEP.

Post Graduate Program - MCom

HR College conducts a 2 year integrated course leading to the Post Graduate degree of Master of Commerce Program with specialization in Advanced Accountancy or Banking & Finance or Business Management under the auspices of the HSNC University, Mumbai. For admission to the said course the cut-off percentage is high for both in-house students as well as those from other colleges. Performance at the personal interview and attendance at the under-graduate classes are other criteria for admission.

The following are the distinguishing features of the H.R. College M.Com. Program

- Excellent teaching environment
- Access to student resources at the college.
- Insistence on 75% attendance at lectures
- Continuous monitoring of performance
- Class seminars
- Guest faculty from management institute and the Industry.

A majority of the lectures are taken by internal faculty. Classroom teaching is supplemented by guest lectures, seminars, workshops and live projects. The college conducts term-end examinations and preliminary examination to prepare the students in the technique of writing answers.

aforesaid documents. On completion of these formalities and payment of necessary fees the required duplicate certificates will be issued to the concerned students accordingly.

Attendance

Attendance at lectures and tutorials is mandatory.

Attendance of students at all courses is regulated by ordinances issued by the University of Mumbai: "For granting terms, attendance of 75% of theory, practical and tutorials (wherever prescribed) separately will be required, out of the total number of lectures, practicals and tutorials conducted in the term."

The college will grant terms only on the basis of:

- (a) Satisfactory attendance
- (b) Satisfactory performance in classroom tests and at the Terminal and Preliminary examinations.
- (c) Satisfactory completion of the course of study for the term/year for the class to which such a student belongs.
- (d) Good conduct.

Students who do not satisfy these conditions will not be granted terms. This means that such students will not be eligible to take all Examinations.

The Principal is empowered to excuse absence of students who are required to leave the town where the College is situated for the purpose of taking part in sports held under the auspices of the University or government body for the period during which they are unavoidably absent from the College.

The College will remain closed on Sundays and all Public Holidays as declared by the Government of Maharashtra and on such other days as the Principal may declare from time to time.

Dress Code

At H.R. College we believe in inculcating a sense of discipline. Thus the college observes a dress code. On the occasion of guest lectures, seminars etc. students are required to be formally dressed. A student failing to adhere to the dress code will face disciplinary action.

INTENSIVE AND REMEDIAL TEACHING

Intensive Coaching

At H.R. College we believe that diligence, seasoned with the right amount of smartness, can ensure brilliant results at the examinations. Therefore Intensive Coaching Sessions are organised keeping the following objectives in mind.

- To help students to not only study hard but also to study smart
- To help students adopt a more productive and effective approach to the learning process.
- To support students with additional learning material and library books
- To generate confidence among students and enable them to believe in themselves

Students in the intensive coaching batches are given the benefit of internal as well as external faculty to facilitate comprehensive grasp of the subject. The sessions have examination-oriented approach, topics are discussed and the main points are summarised at the end of the discussion. It is impressed upon the students that the technique of writing answers in the prescribed time limit is what sets apart the toppers from the rest. Hence full practice is given in solving test papers which are then evaluated by internal and external examiners.

Remedial Teaching

The HR College also conducts special classes for students with latent potential. Topics which students find difficult are taught again and even the slightest doubt is cleared with great patience.

Special Cell

“A Platform for addressing the special needs of the students” is how the Special Cell of HR College defines itself and its existence.

The objective of the Special Cell is to provide students a support in overcoming dyslexic, learning and other learning deficiencies. The Cell creates a platform for these young adults to prove their mettle and creates a marked difference to their lives.

ENACTUS HRC

Enactus H.R. College is a student-run social entrepreneurship organization. It is one of the 1600+ chapters of Enactus worldwide. Enactus HRC is currently working on two of its flagship projects: Project Inaayat & Project Aajeevika.

Project Inaayat

Project Inaayat is India's first chapter under the Days for Girls international chapter that aims to improve the menstrual hygiene of rural women by providing them with our kits which comprise two shields (which act as sanitary napkins), eight absorbent liners, one menstrual chart, a pictorial guidance chart, and 2 soaps. Besides selling these kits, Menstrual Hygiene Management sessions are conducted and for the same, collaborations with various reputed organizations and schools. The association with Rotaract Club of Bombay Hanging Gardens has resulted in successfully conducting MHM Sessions for over 500 underprivileged women in remote villages along with the distribution of the kits. Since its inception, 3024 kits have been sold, with a total of 30,000 people being impacted under Project Inaayat.

Project Aajeevika

Aajeevika, in Hindi, refers to 'livelihood'. Through Project Aajeevika, employment is provided to the rural women of Maharashtra, thus increasing their family income and henceforth, enhancing their standard of living. Rural women are empowered to capitalize on their stitching skills. The women possessing stitching skills are identified from rural communities. The women employed are then vocationally trained in being seamstresses. This gives them a skill with which they can earn a livelihood and become independent. Unlike any other competitors, the bags are customizable with zips, chains, and other accessories along with an array of designs at the choice of our consumers. To date, 2,000 bags have been sold under Project Aajeevika

Project Jalvrudhhi

Project Jalvrudhhi is dedicated to revolutionize the manner in which water has been transported and utilized by the houses of rural India since the olden times.

As a solution to the problem of water transportation, the villagers were provided with the water wheel which is a 45 litre rolling drum manufactured by Wello. It is durable, easy to use and efficient to use. Wockhardt Foundation's 'Shuddhu purification pills' were also distributed to tackle the problem of water purification.

Recently the project was expanded to Shegaon, located at the frontier of Maharashtra. To be able to provide the water wheel at a feasible price, a cross subsidy model was devised by engaging another set of rural women in a revenue-generating process. The profits of which are then used to subsidise the packages.

Accessibility to water in rural areas has improved with the introduction of the water wheel

Why Liberal Studies?

The HSNC University's M.A. in Liberal Studies is a two-year post-graduate interdisciplinary programme curated by experts who have spent decades learning, teaching and producing interdisciplinary knowledge. Globally, liberal education is propounded as a directionary tool for critical and analytical growth. With its critical and interdisciplinary ethos, it has brought about changes in disciplines and universities across the globe.

An MA in Liberal Studies will enable students to engage, learn and grow with the help of our experienced faculties, institutional resources and overall structural support. Eventually, it will help them develop their critical and analytical abilities with key interdisciplinary skills to meet global requirements. Lastly, and most importantly, learners will become compassionate and empathetic citizens who will want to better our worlds.

HSNC University is one of the very few public universities offering a programme in liberal education. There is huge local and global demand for graduates with interdisciplinary skills. Academia and Higher education remain one of the top industries for graduates from such a programme. The demand for graduates is also seen in research organizations, non-governmental organizations, public policy think tanks, journalism, software and technology, design, and more. The faculty and staff at HSNC University will continue to provide career avenues for learners and graduates to thrive.

HSNC University at its core believes that more and more programmes should become interdisciplinary and multidisciplinary. These are the visions of this university. This programme will be a milestone in these endeavors.

Programme Vision

This programme envisages the idea of holistic and integrated learning aimed at breaking disciplinary silos between pure sciences, social sciences and humanities. The programme seeks to re-imagine learning in ways that foster intellectual curiosity, ability to raise critical questions and most important to develop a sense of social justice, equity and empathy while engaging with complex global realities. We envision graduates to participate meaningfully across industries and sectors given the interdisciplinary and transdisciplinary ethos of the programme. Diversity and inclusion would be the key components of this programme with an emphasis on critical and reflexive approaches to learning.

Programme Objectives & Outcomes

- To transcend disciplinary boundaries and enable interdisciplinary discourses, perspectives, methods of knowing and forms of analysis.
- To interrogate binaries and dualisms that have long characterised knowledge production.
- To have a dialogic and participatory approach to knowledge production.
- To bring about a paradigm shift in pedagogical practices of teaching and learning so as to provide a meaningful learning environment.
- Students' worldview to be informed by multiple perspectives drawn from different disciplines so as to produce a richer understanding of complex social realities.
- To explore untapped potential and abilities in students through multidisciplinary perspectives
- Produce responsible and accountable citizens with a commitment to democratic values and constitutional principles.
- Build multiple skills thus enabling students to find placements in a broad spectrum of fields from governance and policy making, electronic, visual and print media, human resource and personnel management, economy, data analytics to civil society organizations.

For who?

This programme is for students who have graduated across disciplines and fields of study such as Arts, Science, Commerce, Engineering, Medical, Architecture, Law, Social Work, Humanities, Pharmacy, Design Studies, and any other. The students will benefit from the interdisciplinary and transdisciplinary approach and be industry ready. The programme is also for those who would like to contribute to some of the career options mentioned below.

From the Dean's Desk

Dr. Leena Pujari

Dean (Ag)

*Faculty of Interdisciplinary Studies,
HSNC University, Mumbai*

Two years of intense deliberations and discussions have culminated in this enriching two year Post Graduate Programme in Liberal Studies. Since long, rigidly drawn academic boundaries have precluded attempts at building dialogues and solidarities across disciplines. This programme seeks to transgress those boundaries and is about integrated forms of teaching, learning and research. It seeks to re-imagine learning in ways that enable students to have a compassionate view of complex social realities and engage with novel ways to address them. We believe that complexity needs to be perceived through different prisms leading to a nuanced, well informed and holistic understanding. Criticality, reflexivity and imagination are the defining components of this programme.

The courses have been thoughtfully designed by experts drawn from diverse fields of inquiry. A wonderful mix of core courses and electives along with innovative, critical and transformative pedagogies will make learning an immersive, engaging and enriching experience for the participants of this programme. I thank Dr. Hemlata Bagla, Vice Chancellor, HSNCU for her unwavering support and encouragement and for taking a keen interest in this programme. I immensely thank our stellar team of advisors Dr. Gita Chadha, Dr. Chayanika Shah and Dr. Sridhar for their vision and imagination and for making this happen.

Advisory Board

The Advisory Board consists of people who are experts at the intersections of science, humanities and social sciences. Their vision and imagination has richly benefitted this programme and their attempts at conceptualizing an interdisciplinary programme that transcends rigid disciplinary boundaries and fosters conversations across disciplines have been phenomenal.

Dr. Gita Chadha (Special Advisor)

*Sociologist,
Visiting Faculty, School of Arts and Science,
Azim Premji University*

Dr. Gita Chadha is a feminist sociologist. She taught Sociology at the Department of Sociology, University of Mumbai and is currently the visiting professor at the Azim Premji University, Bengaluru. Her central work is in the domain of science criticism. She has contributed to building the field of feminist science studies in India. She has worked on reimagining sociology from feminist perspectives. Gita's interests also lie in visual cultures, cultural studies, pedagogy, social theory and questions of methods. Gita has designed innovative pedagogic initiatives for integrating science and social science teaching. She believes that genuine Interdisciplinarity is possible only with a firm grounding in disciplines. Gita believes that the classroom is a site for cultural transmission and transgression.

Dr. K Sridhar

*Theoretical Physicist,
Azim Premji University
(formerly with Tata Institute of Fundamental Research)*

Dr. K. Sridhar is a theoretical particle physicist and works at the Azim Premji University in Bengaluru. He has published several papers in physics and has also published a book, Particle Physics of Brane Worlds and Extra Dimensions. He has edited a volume on Integrated Science Education, Breaking the Silo: Integrated Science Education in India. Sridhar is also a writer of literary fiction, has published a work of fiction called Twice Written and has recently completed his second novel, provisionally entitled Ajita. He has also published several essays in the area of philosophy and he regularly writes reviews of art shows.

Advisory Board

Dr. Chayanika Shah

Infrastructure and Resources

Notable Events

Department of Liberal Studies HSNL University in association with K.C. College organized a **National Seminar on 'Methods across Silos: New Reflections'** on 10-03-2022 at K.C. College, Mumbai.

The theme of this seminar was based on a recent volume on Scientific method: Disciplinary Narrations' (2022) where the editors Gita Chadha and Renny Thomas address the question of 'method' in knowledge making.

Notable Events

As a part of the 'Liberal Studies Lecture Series', the Department invited **Dr. Roopa Rathnam**, a Bangalore-based independent researcher, whose lecture was titled, '**Vision, Vantage and Voice: Principles of Feminist Research Methodology in Action**' at HSNC University, Mumbai on 9th Sept 2023.

The Dept. of Liberal Studies in collaboration with Dept. of Economics organised an interactive session on '**Liberal Arts Education and Media: Opening up New Vistas**'; the guest speaker was **Mr. Aprameya Rao**, Output Editor, Business News, WION at HSNC University, Mumbai on 25th Sept 2023.

Students attended a **Gender Sensitization Workshop** conducted by **Ms. Snehal V** (from Akshara Centre), organised by the Women's Development Cell of HSNC University, Mumbai at HSNC University, Mumbai on 6th Oct 2023.

Notable Events

The Dept organised a field visit to the Sanjay Gandhi National park with **Dr. Sunetro Ghosal**.

Title: **Exploring Sanjay Gandhi National Park**, Mumbai on 8th October, 2023.

A short walk through one of the trails at Sanjay Gandhi National Park, Mumbai, which is one of only four protected areas within an urban landscape in the world along with Nairobi, Cape Town and Rio de Janeiro. The walk helped the students explore the dynamics of a 'natural' forest that is now an island in a metropolis and is home to a rich biodiversity. The walk was followed by a discussion mediated by **Dr. Sunetro Ghosal**.

For Whom?

A number of persons work in the Indian Real Estate and allied sectors after their graduation with specializations such as:

- Accounting
- Architecture
- Civil Engineering
- Commerce
- Economics
- Information Technology
- Law

There is a felt need among such:

- Entrepreneurs
- Executives

Graduates/postgraduates with Bachelor's / Postgraduate degree with at least 50% (for General Category) and 45% for Reserved and Physically / Differently abled candidates in any discipline (e.g. Engineering-Technology, Science, Commerce, Management, Accounts, etc.) from any university recognized by UGC/ AICTE / AIU or equivalent are eligible to apply. The percentages may be relaxed for the candidates from the Armed Forces or their children. However, there is no age limit to apply.

Fresh Graduates/postgraduates awaiting final result declaration can also apply and appear for HCET. The qualified and shortlisted candidates will be provisionally admitted.

Why Real Estate?

The Real Estate Sector in India contributes 7% to the GDP, poised to rise to 13% by 2030. It already accounts for 15% of employment, making it the second-largest employer in the Indian economy. India is the 7th largest country in the world and poised to rank 3rd in GDP by 2030, besides being the fastest growing large economy in the world.

In recent years, the Indian government has taken several steps to address some of these challenges and promote the growth of the real estate sector. For example, the introduction of the Real Estate (Regulation and Development) Act, 2016 has helped to increase transparency and accountability in the industry, while the Goods and Services Tax (GST) has helped to streamline taxation and reduce the overall cost of real estate transactions.

Despite these positive developments, the COVID-19 pandemic has had a significant impact on the real estate industry in India, with construction activities and property sales being disrupted due to lockdowns and other restrictions. However, the industry is expected to recover in the coming years, with increasing demand for affordable housing and office space.

Major developments driving the sector in India

Transformation:

of business models for attaining scale and speed.

Formalization: through RERA, IBC 2016, Electronic Payments, Audit Trail of Transactions, GST, Income Tax, Anti Money Laundering measures.

Corporatization:

from proprietary, HUF and partnership and suitable corporate restructuring.

Consolidation: of fragmented entities to a single entity and brand, joint ventures between small entities and large established entities, and mergers & acquisitions for inorganic growth.

Financialization: of real asset holdings to equities, debentures, REITs, InvITs, fractional ownership. Whereas International Property Consultants (IPCs) have a capital market practice, the Big-4 Audit Firms have a Real Estate practice. The Big-3 Consulting firms also have a real estate practice. This demonstrates the rich overlap between Real Estate and Finance.

Digitization:

Electronic trail of data, data platforms, Proptech, automation of processes.

Internationalization: Global investors have access to the Indian markets through various instruments, seen from the presence of International Property Consultants such as CBRE, Colliers, Cushman & Wakefield, Hines, JLL, Knight Frank, Savills, Sotheby's International Realty, and international Private Equity firms such as Blackstone, Brookfield, Embassy, Everstone etc. This causes the percolation of global best practices into India.

Professionalization: with growth and formalization, most organizations put in place a professional management team, and also need to upskill the owners/promoters. This has multi-disciplinary implications, including technology, management, law, marketing and finance. Most reputed business houses in India have forayed into Real Estate, viz. Arvind, Bombay Dyeing, Godrej, L&T, Mahindra, Piramal, Tata, Raymond, Shapoorji Pallonji, to name a few.

Why MBA in Real Estate?

There are plenty of real estate MBA programs that devote the majority of teaching to general management, project management, and finance. However, the NHSMRE MBA - Real Estate program will offer various real estate-focused add-ons as a part of its dedicated curriculum with state-of-the-art infrastructure and interactive lecture rooms and a brand name for lifetime opportunities.

The course has been specially curated, designed, and guided by the various prerequisites of the real estate industry that post completion of the respective course, the student will be bestowed with the specialized skills and knowledge needed for acquiring advanced positions in the real estate industry.

MBA at NHSMRE

The program emphasizes on highest quality education with a strong foundation of managerial concepts, brain storming and effective decision making for the learners to excel and enhance their skills and persistently strives to grow into a distinguishable position in Management Studies and to create Business Graduates to become future Business leaders, Entrepreneurs, socially responsible professionals who fit into the dynamics of corporate world with latest trends & global outlook.

The Group and its Excellence: The team behind HSNCU consists of eminent people from academics and industry leaders with a background of educational experience and excellence since the inception of HSN Board in 1921.

Faculty: With a 30:1 student to teacher and 1:1 student to mentor ratios - internationally recognized teachers dedicated to student learning & development, ensure that the students become leaders who can work in diverse environment and accomplish the most complex objectives at their respective roles.

Campus: Right off the Bandra-Worli Sea Link, an IT enabled, air-conditioned building with conference halls, library and a canteen - HSNCU University, Mumbai stands tall in the heart of Mumbai city with close proximity to business hubs, shopping malls, restaurants, a forthcoming Metro station and other local modes of transport.

Curriculum: A curriculum that ensures its relevance to the changing landscape of global business. Through case studies, interaction with fellow students, faculty, and industry executives - our students develop a practical outlook and perspective.

Collaborations: The University has tied-up with several international universities and industry bodies to augment the learning of students, apart from curriculum.

Industry Links: The students work on practical level to solve challenges of businesses by working in the industry - incorporating ideas from class, presenting to an expert panel at the end.

Placements: With it's rich network, students of HSNCU are guaranteed 100% Placements based on thier 100% commitment to the program.

For Whom?

A number of persons work in the Indian Real Estate and allied sectors after their graduation with specializations such as:

- Accounting
- Architecture
- Civil Engineering
- Commerce
- Economics
- Information Technology
- Law

There is a felt need among such:

- Entrepreneurs
- Executives

with 3+ years relevant postgraduation experience in a non-clerical position, for gaining a formal management degree. However, due to various compulsions – personal as well as work-related, such executives may not have been in a position to pursue a formal management degree. This Executive MBA (Real Estate) is especially aimed at those equipping entrepreneurs and executives with relevant experience in the Real Estate sector with the managerial knowledge and skill sets to enable them to avail new opportunities and face challenges of the future with capability and confidence. For those already having a post-graduate degree/diploma in disciplines other than management, the Executive MBA (Real Estate) is an ideal top-up for career progression in leadership roles. Such a learner-institute relationship is an ideal collaborative endeavour to professionalize the Real Estate sector in India.

Why Real Estate?

The Real Estate Sector in India contributes 7% to the GDP, poised to rise to 13% by 2030. It already accounts for 15% of employment, making it the second-largest employer in the Indian economy. India is the 7th largest country in the world and poised to rank 3rd in GDP by 2030, besides being the fastest growing large economy in the world.

In recent years, the Indian government has taken several steps to address some of these challenges and promote the growth of the real estate sector. For example, the introduction of the Real Estate (Regulation and Development) Act, 2016 has helped to increase transparency and accountability in the industry, while the Goods and Services Tax (GST) has helped to streamline taxation and reduce the overall cost of real estate transactions.

Despite these positive developments, the COVID-19 pandemic has had a significant impact on the real estate industry in India, with construction activities and property sales being disrupted due to lockdowns and other restrictions. However, the industry is expected to recover in the coming years, with increasing demand for affordable housing and office space.

Major developments driving the sector in India

Transformation:

of business models for attaining scale and speed.

Formalization: through RERA, IBC 2016, Electronic Payments, Audit Trail of Transactions, GST, Income Tax, Anti Money Laundering measures.

Corporatization:

from proprietary, HUF and partnership and suitable corporate restructuring.

Consolidation: of fragmented entities to a single entity and brand, joint ventures between small entities and large established entities, and mergers & acquisitions for inorganic growth.

Financialization: of real asset holdings to equities, debentures, REITs, InvITs, fractional ownership. Whereas International Property Consultants (IPCs) have a capital market practice, the Big-4 Audit Firms have a Real Estate practice. The Big-3 Consulting firms also have a real estate practice. This demonstrates the rich overlap between Real Estate and Finance.

Digitization:

Electronic trail of data, data platforms, Proptech, automation of processes.

Internationalization: Global investors have access to the Indian markets through various instruments, seen from the presence of International Property Consultants such as CBRE, Colliers, Cushman & Wakefield, Hines, JLL, Knight Frank, Savills, Sotheby's International Realty, and international Private Equity firms such as Blackstone, Brookfield, Embassy, Everstone etc. This causes the percolation of global best practices into India.

Professionalization: with growth and formalization, most organizations put in place a professional management team, and also need to upskill the owners/promoters. This has multi-disciplinary implications, including technology, management, law, marketing and finance. Most reputed business houses in India have forayed into Real Estate, viz. Arvind, Bombay Dyeing, Godrej, L&T, Mahindra, Piramal, Tata, Raymond, Shapoorji Pallonji, to name a few.

Why Executive MBA (Real Estate)?

The Executive MBA (Real Estate) is best suited for Entrepreneurs and Executives working in Real Estate and related areas, as a top-up to their experience. The Master's-level programme is a confluence of Real Estate, Economics, Finance & Accounting, Law, Marketing, Management and Operations. Salient Features

The practical aspect in core courses (the performance of different Kriyas and Asanans) has been given more emphasis, both in terms of credits and credit hours involved, in comparison to theory.

Keeping in tune with UGC norms, provision for interdisciplinary elective courses, compulsory ability enhancement courses, internship and research project work has been made.

The current programme is designed to enhance the knowledge and skill of the subject.

While designing the syllabus, care has been taken to balance the fundamental techniques of yoga with complementary knowledge and skills through elective and ability enhancement courses.

The programme would give the students opportunities to develop skills in areas which have direct relevance to better practices needed to maintain good health and hygiene, and a healthy mind in a healthy body.

Learning Outcomes

The curriculum is designed to acquaint the learner with the basic principles of Yoga, understanding human physiology, yogic practices, and yogic asanas. The course would help students to apply their understanding of concepts to summarize, analyse, and inculcate problem solving approach in the newer developments and innovations in the future.

The curriculum design, the teaching and the evaluation patterns would help students to develop skills and competencies to perform asanas, and teach the same to the community through internship and practice sessions

KEY HIGHLIGHTS

1. Curricula With Contemporary Relevance

The curriculum developed by the School is contemporary, industry-relevant, community-driven and drafted on the basis of reviews/ suggestions from academicians, professionals and regulatory bodies. This ensures that students are equipped with the skills and knowledge necessary to succeed in real-world situations.

2. A Learning-centric New Paradigm of Teaching Methodology

- a. Self-learning: The curricula has been modernised for virtual learning through a hybrid model with mandatory provisions of 20% online content, which is to be covered by students in self-learning mode.
- b. Interdisciplinary Learning: The School aims to inculcate learning across disciplines and establish teaching methodologies with an interdisciplinary approach.
- c. Enhancement of Academic Content: The School strives to enhance the quality of academic content to meet international standards and to create content which encourages students to take up self-learning. Students will also self-learn by analysing extracts from law books, journals, articles and judgements.
- d. Experiential Learning: The School provides for real-time projects for efficient experiential learning and also develops courses to bridge the curricula with practical experience.

3. Continuous & Comprehensive Evaluation to Ensure More Objectivity in Evaluation Process

Three-part evaluation –

1. Self-learning Evaluation: To ensure continuous evaluation and more objectivity in the evaluation processes;
2. Internal Evaluation: A blend of Class Tests, Tutorials, Moot Courts, skill-based such as Internships, Industry-based projects, Paper presentations in peer-reviewed conferences/seminars and development of e-content; and
3. Semester-end Examination: In order to obtain a final review of the student's knowledge of the subject, semester end examinations are conducted with a blended methodology of physical and online modes.

4. Legal Education: A Social Commitment

Social outreach through the School, its Legal Aid Cell and the carrying out of various campaigns in villages and the city of Mumbai.

5. Collaborations

The School aims at collaborating with organisations, legal firms and regulatory bodies.

About Late Shri. D. M. Harish

21st Nov. 1921 - 6th Feb. 1998

D.M. Harish School of Law is a fitting tribute to the Late Mr. D.M. Harish, the legal luminary who believed so fervently in the ethics of advocacy, painstaking study, thorough research and singular application of mind to the case on hand. The essence of D.M. Harish School of Law is to structure the constructs of best pedagogy, reinforced by assignments, law cases, internships and inputs by the best legal league.

Late Mr. D.M. Harish was a distinguished advocate and a renowned authority on Income-tax Law in India. Mr. D. M. Harish had an outstanding academic career and completed his early education in Sindh obtaining the first rank in the Matriculation examination in the Sindh

Province. He then joined D. J. Sindh College, Karachi, Sindh where he completed his B.Sc. and B.A. and was later appointed as a fellow of the college in recognition of his exceptional academic career. After the partition of India, he came to Mumbai and joined the Government Law College where he completed his LL.B. examination with a first class. He made an immeasurable contribution to the field of law through the publication of his magnum opus, an eight-volume treatise on Income-tax Law, "D. M. Harish on Income-Tax". It was the first law book in India on CD-ROM and the internet.

The cause of education was always very dear to him and he believed that his personal success could be directly attributed to education and hard work. In his lifetime, he set up D. M. Harish Foundation as an educational trust to spread his vision. The Foundation has sponsored hundreds of underprivileged students at the school and University level in India and abroad, since its inception in 1991. The Foundation has particularly concerned itself with improving the quality of legal education.

Mr. D.M. Harish founded the well-known firm "D.M. Harish & Co". which specialises in taxation, property law and corporate law. He was the director of several public and private limited companies and a trustee of many philanthropic organisations. He was also a member of the Regional Direct Taxes Advisory Committee and the President of the Chamber of Income Tax Consultants. He was invited to speak at numerous seminars and conferences conducted by various organisations and wrote innumerable articles on legal subjects.

He is also remembered for the many battles he fought on behalf of taxpayers. He is truly an inspiration to all of us and we hope to follow his footsteps and achieve our higher purpose.

Why Law?

Law offers a wide world of opportunities to any aspirant who is interested in creating a just world and serving justice. It is used as a powerful tool of social transformation and making a better world. In doing so, studying law allows aspirants to experience personal and moral satisfaction. Moreover, the field is intellectually challenging and stimulating since it enhances aspirants' critical thinking, analytical, drafting and oral advocacy skills. Law is multi-faceted comprising various practice areas including civil law, criminal law, company law, banking and insurance law, intellectual property law, property and real estate law, taxation law, foreign exchange law and family law, to name a few. Given its multi-faceted approach, law also offers diverse career options including judgeship, practicing as an advocate, legal consultancy, advisorship, human rights and environmental activism, social work and teaching.

Why study 3 year LL.B. Program at DMHSL?

A three-year LL.B. program is pursued after possessing any graduation degree and thus those possessing graduation in any discipline are eligible for a three-year law program. They are also required to appear for an Entrance Test. This program also opens the doors for those with years of experience to pursue law. Students get access to classroom teaching, research submissions and to courtroom practice through Moot Courts and Mock Trial Courts which are part of their curriculum. Students also undergo internships with law firms and lawyers, companies and NGOs, which further enhances their knowledge of the practical aspects of the law. The positive aspect of this program is that, as the students in this program are already graduates, the School starts directly with the law subjects, whereby the existing learnings from their earlier degree programs are assimilated with the knowledge of the law to create well-rounded legal professionals. Thus, graduate professionals in any field, who are inclined to make a career in law can enrol in this program.

Why study 5 Year Integrated B.A. LL.B. Program at DMHSL?

B.A. LL.B. is a 5 Year Integrated Program which combines courses of B.A. and LL.B. degree into a one-degree program. The duration of this program is 5 years instead of the normal 6 years required for the completion of two degrees. Students may enrol after completing the 12th Standard and after appearing for an Entrance Test. The first two years have some law subjects but the majority of subjects are from humanities i.e., sociology, political science and English. The courses offered in B.A. LL.B. Program are structurally co-related with law subjects. The Program is the most sought-after program for students planning to pursue a career in litigation, human rights law and social justice.

Why study 5 Year Integrated BB.A. LL.B.(Hons.) Program at DMHSL?

BB.A. LL.B. (Hons.) is a 5 Year Integrated Program which combines a Business Administration degree and an LL.B. degree into a one-degree program. The duration of this program is 5 years instead of the normal 6 years required for the completion of two degrees. Students may enrol after completing the 12th Standard and after appearing for an Entrance Test. The first two years have some law subjects but the majority of subjects are from commerce and management i.e., Management, Marketing, Economics and Business Finance. This Program offers a comprehensive exploration of both business fundamentals and legal practices while providing a deep understanding of the intersection between the two fields and it also gives a distinct advantage in the corporate world by offering a competitive edge through this Program.

Currently, the Honours Papers are offered from various facets of Law. However, two primary categories of Business Law and Intellectual Property Laws have been identified.

As per BCI Regulations, if a Student opts for 8 specialised papers from Business Law, student will be awarded a degree of BB.A. LL.B (Hons.) with Specialisation in Business Law. Similarly, for IPR.

If a student opts for a bouquet of courses from different specialisations, the student will be awarded a degree of BB.A LL.B (Hons.) with no specialisation.

Some specialisation papers are offered to B.A. LL.B students as well to enrich their curriculum; however, they are referred to as Electives

Disclaimer :

The list of honours and electives is indicative and is subject to further changes from the Board of Studies (Law).
