About HSNC University, Mumbai

HSNC University, Mumbai, has been constituted under sub-section (6) of section 3 of the Maharashtra Public Universities Act, 2016 (Mah. VI of 2017), the Government of Maharashtra vide notification no. Rusayo-2019/CR-186/UE-3 dated 30th October 2019 in the official gazette as a Cluster University comprising a cluster of the existing - HR College of Commerce and Economics, Churchgate, Mumbai, as the Lead college and Kishinchand Chellaram College, Churchgate, Mumbai and Bombay Teachers' Training College, Colaba, Mumbai as the Constituent Colleges with H(S)NC Board as its parent body.

H. R. College, K. C. College and Bombay Teachers' Training College, A Grade Colleges as per NAAC accreditation, located strategically in South Mumbai, are eminent institutions of the Hyderabad (Sind) National Collegiate Board, with national and global recognition. They are today acknowledged as role models to other institutions of the Board and the University of Mumbai, by virtue of their innovative academic, cultural, research, and outreach programmes. The three Colleges have stood up to the challenges of keeping their curriculum dynamic by consistently introducing comprehensive approaches to teaching, learning and research. Their industry-academia interface and liaising with international Universities has enabled their students to benefit from the experiential learning experience which is the USP of HR, KC and BTTC. The abiding reputation of the Colleges has ensured that immense employment/placement and higher education opportunities, in India and abroad, have opened up for the students who graduate from here. Several prominent Industries / NGOs offer Campus recruitment and the Alumni of these colleges constitute the 'Who's Who' in national and international professional sectors.

The idea of the Cluster University was a radical initiative by RUSA, Rashtriya Uchater Shikshan Abhyan, (an apex body under the Ministry of Human Resources, Government of India, and the Government of Maharashtra), in the pursuit to overcome the lacunae in the existing University system. The Cluster University also aims at opening up curriculum reforms and bringing in greater autonomy in the designing of syllabi to make them contemporary, multi-disciplinary and in tune with the highest global standards.

This multi-faculty University aims to set new paradigms of education. It wishes to harness the energy and enthusiasm of the young, dynamic population of India and guide it towards the path of learning, knowledge, research, innovation, service to society and entrepreneurship. The headquarters of the HSNC University is located at its multi-storey building at Worli and has a state-of-the-art library housed at the 5th floor.

HSNC UNIVERSITY, MUMBAI

All the colleges of the University offer choice based credit system (CBCS) to the students so as to ensure learning across disciplines and enhance liberal education. A number of new post-graduate courses that are in tune with the coming ages are being initiated at this University.

The University is building collaborations and linkages with noted international academic organisations and with reputed National bodies and Institutions. HSNC University is forming partnerships with industry and has made new syllabi for all its programmes that is alligned with industry 4.0. The aim is to not only learn from the requirements of the market and have industry collaborators willing to orient students towards the same, but also to ensure internships and the best placements for its graduating students.

Research is a prime area of focus for this University. The target at present is to establish 9 research centres and have 40 potential research guides take their rightful place at the helm of research.

This multi-faceted University aims to set new paradigms of education. It wishes to harness the energy and enthusiasm of the young, dynamic population of India and guide it towards the path of learning, knowledge, research, innovation, service to society, and entrepreneurship. This newly launched State Cluster University is set to make its indelible mark in the higher education industry in Mumbai and the country by initiating several landmarks, and relevant and contemporary programs of study.

This University promises to be a vibrant centre which looks after the interests of its students and staff and promotes an all-encompassing growth of its constituents.

The energy of its clubs and associations will drive students to learn at the grassroots level and serve to make the lives of the lesser privileged, better, while at the same time engendering compassion, sensitivity and spirit of service in its students.

The visionary and pro-active leadership of this University is working hand-in-hand with the government authorities, ensuring that all cogs in the University machinery run smoothly and in tandem with government policies.

The HSNC University has pledged to uplift the higher education scenario of India and add one more established temple of learning that will beckon all who thirst for knowledge. It aims to become one of the top Institutions of Higher Education not only in India but also in the world rankings of educational institutions.

PREAMBLE

HSNC University, Mumbai, presents the Fee Fixation Report, which offers a comprehensive analysis and recommendations for the fee structure and related aspects for the upcoming academic year. Since its establishment in 2020 with three constituent colleges, HSNC University has remained committed to delivering quality education and promoting academic excellence.

In the first year of UG, PG, and PhD programs, a specific fee structure was implemented. However, considering the unprecedented circumstances brought about by the pandemic, adjustments were made to the fee structure in the second year. These modifications were necessary to ensure that the university continued to provide accessible education to its students while navigating the challenges posed by the global health crisis.

Over time, HSNC University has expanded its program offerings to meet the evolving needs of students. Initially starting with 17 undergraduate programs, 15 postgraduate programs, 6 postgraduate research programs, and 8 PhD programs, the university now proudly offers a diverse range of 29 undergraduate programs, 27 postgraduate programs, 6 postgraduate research programs, and 12 PhD programs. Currently, HSNC University provides a total of 74 programs under four faculties, spanning various disciplines, thus granting students a wide array of educational opportunities.

The fee structure was initially introduced for the academic year 2020-2021 in June 2020. In the subsequent academic year, 2021-2022, the fee structure underwent modifications in response to the pandemic. The fee structure mostly remained unchanged in the third academic year, with only a few adjustments. However, in the fourth academic year, specifically for the Bachelor in Management Studies program, there was a 10% increase in fees. For other programs, there were slight increases ranging from 1-2%, as well as a reduction of 20% in certain cases.

The Fee Fixation Committee, chaired by Prof. M.A. Khan, Former Registrar University of Mumbai first meeting held on December 8th, 2021. This committee comprised members with expertise in the field, including an advocate, representatives from the Dean of Commerce and Management, and the Registrar, who served as the member secretary. By adopting a multidisciplinary approach, the committee conducted a thorough review of the fee structure and related components, taking into account diverse perspectives and factors.

The Fee Fixation Report addresses crucial aspects such as fee adjustments, marksheet fees, admission processing fees, and the student development fund. The recommendations put forth in this report strive to strike a balance between ensuring affordable access to education for students and upholding the university's financial sustainability.

Throughout the process, the committee carefully considered the unique circumstances and evolving needs of the students, the changing landscape of education, and the overarching goals and objectives of HSNC University. The report is a testament to the committee's diligent efforts, extensive research, and unwavering commitment to promoting the best interests of the students and the institution

We express our sincere appreciation to all the members of the Fee Fixation Committee for their invaluable contributions and unwavering dedication. Their expertise and insights have been instrumental in formulating this report. Additionally, we extend our gratitude to the university administration, faculty, staff, and students for their cooperation and unwavering support in this endeavor.

The Fee Fixation Report will serve as a vital resource in guiding the fee structure and related policies of HSNC University. We remain hopeful that the recommendations outlined in this report will contribute to the overall growth and development of the university, fostering a conducive and equitable learning environment for all students.
